PROFILE

Am a senior gender trainer and researcher in the fields of social development with extensive experience in gender and feminist research in areas including education, sexuality, sexual and reproductive health, HIV AIDS, women's economic empowerment, gender-based violence, adolescent and environment (climate change). I have vast experience in both quantitative and qualitative action-oriented research with RCT design undertaken at national and international level (multi-country studies) and have published in refereed journals and books. I have been principal investigator and Team leader on a number of multi partner research projects and have participated in national and international conferences. Am a gender trainer, activist and passionate about empowerment of adolescent girls and women.

EDUCATION AND PROFESSIONAL QUALIFICATIONS
